

INFOSYS LIMITED

OFFER OF EMPLOYMENT

Date: 30 October 2025

To,
Snehal Rahul More
Mumbai, Maharashtra

Dear Snehal,

We are delighted to offer you employment with Infosys Limited as a Systems Engineer Trainee based on your successful performance in the selection process. Your technical aptitude and professional attitude have impressed our panel, and we are excited to welcome you into the Infosys family.

Offer Details

- Position Title: Systems Engineer Trainee
- Department: Technology Operations
- Employment Type: Full-time, Permanent
- Date of Joining: 2 December 2025
- Work Location: Infosys Pune Development Center (Phase 2), Hinjewadi, Pune
- Reporting Manager: To be communicated on joining

Compensation & Benefits

- Annual CTC: ₹3,60,000 per annum
- Training Stipend: ₹21,000 per month (during training period)
- Probation Period: 6 months from the date of joining
- Benefits: Provident Fund, Medical Insurance, Performance Bonus, and Employee Wellness Programs

Terms & Conditions

1. You are expected to maintain strict confidentiality and comply with the Infosys Code of Conduct and Security Guidelines.
2. During the training period, termination of employment can occur with one week's notice from either side.
3. Upon confirmation, the notice period will be three months as per Infosys HR policy.
4. You are required to bring all original documents (academic, identity, and experience if applicable) on your joining day for verification.

We at Infosys believe in nurturing talent and helping you shape a successful career in technology. Your contribution will play an important role in driving innovation and excellence within the organization.

Please confirm your acceptance of this offer by logging into the Infosys Careers Portal and submitting your acceptance by 5 November 2025.

Warm regards,

Human Resources
